

Hello Richa,

I live on _____ and these are our objections regarding File # OZS-2020-0037:

1. Traffic congestion
2. Devalues our property
3. Will change the landscape
4. Causes Pollution
5. Affects our airspace
6. Schools full to capacity
7. Neighbourhood parks are already at full capacity, the rezoning/development will make this a much bigger problem.
8. Affects our privacy

Thank you for your attention to our objections. We love our home and our neighbourhood, please do not allow this to change that.

Regards,

Duarte & Ilda Neves
