Subject: [EXTERNAL]Opposition to Rezoning Proposal - City File OZS-2020-0037

Dear Mr. Caruso,

I am contacting you to voice my opposition in regards to the rezoning proposal under City File: OZS-2020-0037. When I purchased my home in this immediate area, I specifically chose and invested in this premium lot over other locations based on the characteristics offered in this residential neighbourhood. A quiet street with a very private yard, backing on a pond and greenspace. To rezone this area completely changes everything about this neighborhood and what I understood I was investing my future in when I purchased my home. Constructing multi unit apartments in this location would eliminate all privacy, and would increase noise and traffic just to name a few issues. I feel this proposal shows an extreme lack of consideration for residents, and I am strongly opposed.

Respectfully,
L Clark
