Mr.Caruso,

Please be advised that I am writing this E-Mail to voice my vehement objection to the planned re-zoning bylaw for the properties on McLaughlin Road as stated in the file #.

My reasons are as follows.

1. The traffic will increase considerably which in turn will cause a lot of noise in the area.
2. With that amount of residences the garbage problem will increase ,right now it is a problem in that area.
3. Not to mention the crime increase considerably.

These are some of the reasons that I object to this proposal.

I do hope you and city council will consider not to grant the builder this concession.

Thank you,

Deonarine Singh.
