Dear Ms. Myers,

RE:

Application for Minor Variance 7995 Winston Churchill Blvd PL 43M1936 PT BLK 1 Orlando Corporation

In April 2021, we submitted for site plan approval to develop lands for additional outdoor storage for trailer parking at the existing Industrial Building, municipally known as 7995 Winston Churchill Boulevard. The subject property is approximately 16.32 hectares and is bound by Winston Churchill Boulevard to the west and Steeles Ave W to the north. 7995 Winston Churchill Blvd is currently zoned as M4-2797 "Industrial".

We are seeking relief from the bylaw to permit outside storage (including oversized motor vehicles) associated with a business operating from a building at 7850 Heritage Road whereas the bylaw only permits outside storage as an accessory use associated with a business operating on the same lot.

Amazon Inc. currently occupies 7995 Winston Churchill Blvd, and will also be occupying 7850 Heritage Road to the east. As part of the occupancy for 7850 Heritage Road, Amazon requires additional outdoor storage for trailer parking that is proposed to be located on the site at 7995 Winston Churchill Blvd. The outdoor storage area will be screened from Steeles Ave W by a solid wood screen wall. The location of the outdoor storage is intended to remain until such time that Amazon chooses to move forward with the addition of the existing building at 7995 Winston Churchill Blyd. At such time, re-evaluation of the outdoor storage will be required in order to satisfy site plan for the addition proposal.

In addition to the above, we have submitted a Site Plan Amendment (SPA-2021-0114) that proposes a link from the west side of 7850 Heritage road to the east side of 7995 Winston Churchill Blvd. This link will aid Amazon's operations between the two sites for coordination of outdoor storage. Regardless of the link, Amazon will still require the outdoor storage at 7995 Winston Churchill Blvd until they choose to move forward with the building expansion.

We believe this request to be minor in nature and meets the four tests prescribed under Section 45 of the Planning Act.

Please find attached a completed Application for Minor Variance and one digital copy of the Site Plan.

If you require any additional information or clarification please contact me at 905.677.5480 or at rehkopfw@orlandocorp.com.

Yours truly,

ORLANDO CORPORATION
