January 14 2020	Email Response from City	Jasmeen Kaur Kang Constituency Assistant to Regional Councillor Gurpreet S. Dhillon	Palmina Maccari	City staff determined the noise wall was under Rosedale jurisdiction. A suggestion was made to see if the wall maintenance and replacement may fall under the Local Improvement Process. Awaiting a response for the eligibility of the program. Acknowledgement from City on the long wait Rosedale has experienced in receiving any answers.
January 14 2020	Email from Rick to City Councillors	Rick Wesselman	Jasmeen Kaur Kang Constituency Assistant to Regional Councillor Gurpreet S. Dhillon	Email to clear that Rosedale never suggested the wall was the City's jurisdiction, rather the request is to replace the noise wall as per the existing Local Improvements Regulations ( <a href="https://www.brampton.ca/en/residents/Roads/engineering-construction/Pages/noise-wall-regulations.aspx">https://www.brampton.ca/en/residents/Roads/engineering-construction/Pages/noise-wall-regulations.aspx</a> ) The Petition of 1200 tax paying units will be filed by the property manager. Request that our city councillors push this petition forward and that Rosedale is prepared to present the petition to the Committee of Council.
June 11 2020	Email	Palmina Maccari	Mayor Patrick Brown	First email directly to Mayor Patrick Brown, explaining the situation and requesting that Rosedale may be eligible for a noise wall due to the traffic on the corresponding roads. A request for a conference with Mayor Brown to discuss this issue was made. Rosedale acknowledges we have tried to go through the proper channels (councillors) but have been met with little to no resolution or assistance.
July 3 2020	Email-Follow up	Palmina Maccari	Mayor Patrick Brown	Second email to Mayor Patrick Brown (First follow up email) in regards to previous email.
July 16 2020	Email (attached acoustic report)	Jennifer Borges	Mayor Patrick Brown	Third email directly to Mayor Patrick Brown. Email provides the Acoustic Fence report conducted in 2018, and provides reasons why Rosedale is eligible for the noise wall due to findings in the report. (include current and forecasted volumes of noise due to traffic in the area) Rosedale mentions the Official Plan and Zoning By-Law as it relates to the addition to the retirement home across the road from Rosedale. We advise this will only increase noise volumes far above their allowance.
September 21 2020	Email- Follow up (status)	Jennifer Borges	Mayor Patrick Brown	After calling and leaving a message for Mayor Patrick's office to call, a fourth follow up email was sent directly to Mayor Patrick Brown to reiterate our case. No response yet to be received.
