The undersigned hereby applies to the Committee of Adjustment for the City of Brampton under section 45 of the Planning Act, 1990, for relief as described in this application from By-Law **270-2004**.

2. **Name of Agent** _____

3. **Nature and extent of relief applied for (variances requested):**
Minor Variance: 1. To permit an existing accessory structure(shed) having a gross floor area of 55.8 square meters; by-law permits a maximum of 15 square meters.
2. To permit 2 existing accessory structures (Shed #1 & Shed #2) having a combined gross floor areas of 69.193 square meters; by-law permits a maximum combined gross floor area of 20 square meters for 2 accessory structures.

4. **Why is it not possible to comply with the provisions of the by-law?**
Reason for not being able to comply, is that I am using the existing shed as storage. When I purchased the property, there wasn't a garage, so I took the shed as my garage storage space for my snow blower, tools and other equipments. The smaller shed is used to store things acquired overtime as the house is quite small. I will be reducing the size of the smaller shed to comply with the city bi-laws, therefore I am applying for this minor variance.
