Memorandum

Date September 1, 2021

From Joe Iozzo - Baldwin & Franklin Architect Inc.

To Committee of Adjustment – City of Brampton att: Jeanie Myers

Re 65 – 75 Braydon Blvd. Committee of Adjustment – A 2021-0151
Request for Indefinite Deferral for September 14, 2021 Hearing Date

Regarding the above noted project file, we request an indefinite deferral from Committee of Adjustment for the September 14, 2021 hearing date.

We have been working with City staff to come up with a site plan solution regarding the loading space, that can be supported by Planning Services, and believe it would be prudent to continue to work together until such time that we can confirm a hearing date.

I understand that Francois Hemon-Morneau will reach out to you also to update you on this file.

Thank you for your consideration regarding our request.

Sincerely,

Joe Iozzo
