

An aerial photograph of a multi-lane highway. A bridge railing runs vertically through the center of the frame, featuring a vibrant, abstract mural with swirling patterns in shades of green, yellow, orange, and blue. To the left of the bridge, a large white truck and several cars are visible on the highway. The background shows a grassy embankment and some trees.

City of Brampton Bicycle-Friendly Communities Application Fall 2021

Background

- Share the Road is a provincial cycling advocacy organization working to build a bicycle-friendly Ontario.
- Bicycle Friendly Communities (BFC) Award Program helps communities evaluate how bicycle friendly their community is, celebrate progress, and work toward achieving higher-level awards over time.

Current Designation:

- Brampton successfully achieved a Bronze designation in 2016

Community Benefits

- Heading in the right direction
 - Active Transportation recognition
- Showcasing Brampton's dedication towards AT
 - Continued investment and public support
- Guides progress for what Brampton can do
 - Report card to provide feedback

Your Role

- Diverse stakeholders
- Feedback/ Sharing Ideas
- Assistance in completing the Application
- Contribution towards Silver Designation
