**Importance:** High

Hi Andrew ,

I have received letter from city of Brampton regarding unit # 34 at 2500 Williams pkwy Brampton .

I am the owner of Unit #57 & 58 . I am not agree with for amend Zoning . The main reasons mentions below :

- 1) Environmental issues like poor air quality also Intake air for AC/ Heating is too close to all tenants . This is not a individuals building , it has multiple others offices as well in this plaza .
- 2) Pets being cremated , may be sick with diseases or were being treated with medicines that will cause even more harmful fumes for walk in customers , bad for business .
- 3) Property value decrease Because no one willing to buy or rent close to proximity to a crematorium .

A crematorium is not a good fit for this location because this is a predominantly industrial business area .  
Where front and back doors are open consistently .

It would be appreciated if you can do action on this . Hope you can Understand.

Thank you,

**Preet Kahlon**
