Subject: [EXTERNAL]Proposed Severance on a Main St property

Re Deferred Application #B 19-017 and #A 19-121 for 67 Main St S

Please be advised that we STRONGLY OBJECT to the above severance.

If approved, would largely affect the appearance of this beautiful historic area. A "monster" building would not enhance the beauty of this street.

We live at 83 Elizabeth St S and have done so for over 50 years.

Thank you

Glen and Helen Corner.
