Dear Secretary-Treasurer,

RE: Electronic Hearing for Application #B19-017.

We would like to register for this upcoming electronic hearing on September 29, 2020, at 9am. We would also like to be notified of the decision of the committee of adjustment in respect to this application and be advised of any possible local planning appeal tribunal hearing in the future.

As residents on Elizabeth Street and directly facing the laneway of the applicant, we are truly concerned and strongly oppose the proposed plans. We're concerned that these types of activities take away from the character of the neighbourhood. What makes this downtown Brampton neighbourhood unique is the fact there's ample greenspace and mature trees in between homes. We are truly concerned if lots begin to be severed that this will set a precedence and will detract from the appearance and character of this neighbourhood.

Many thanks for your consideration,

Ramona Frial & Steven Brown
