

Brampton City Council Update

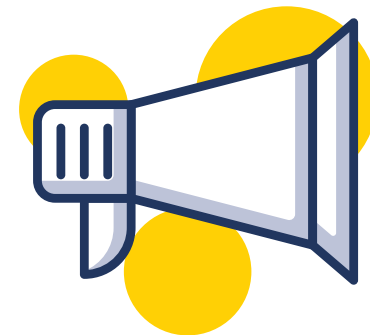

October 13, 2021

Status of Operations

Inaugurated BHive on May 20th, 2021 by Mayor Patrick Brown and Councillors Martin Medeiros and Paul Vicente.

Hosted **bi-weekly events** consisting of webinars, keynotes and start-up lead generations events to promote BHive and the Innovation District.

Signed up **17 mentors and partners** that will be engaging with BHive to support incoming Start-ups.

Leveraged TBDC's Start-up Visa designation to process **15 qualified applications**, received through various channels, such as digital marketing, events, partnerships and City referrals.

Continued Barriers with Immigration

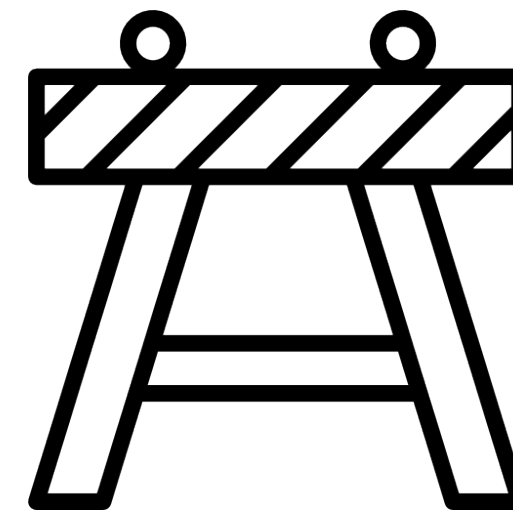

Many countries have processing offices closed for long periods of time. As a result, there are delays in consulates and visa offices processing applications. In addition, IRCC has designated specific COVID hot zones to be on hold.

Flight Bans

Lockdowns
