Town Hall**

**October 5, 2021**  
**7:00 – 8:00 PM**

**THANK YOU!**

William Osler Health System (Osler) extends our sincere thanks to you and your teams for your collaborative spirit throughout the COVID-19 pandemic, and for the immeasurable support you gave us during some of the hardest moments of our careers.

You worked alongside us to meet the unprecedented needs of the community, you helped boost the morale of our teams through difficult days, and we know that we remain in this together in the time ahead.

On this World Gratitude Day, Osler shares a heartfelt video message from our teams to yours. We hope it expresses our gratitude as partners and colleagues through challenging times and in our everyday endeavours. We would be honoured if you would share this with your teams.

Sincerely,  
Dr. Naveed Mohammad  
President and CEO
