Good Morning:

I read with Interest your Public Notice in the Sept 23 Brampton Guardian on the City Wide Official Plan Amendments to address the shortage of purpose build rental housing.

Briefly, I do support the intent of the changes being proposed for both replacement and new housing developments in the city.

Yes, I would like to possibly listen and or participate in the Public Meeting planned on Oct 18, 7 pm.

Thanks for your combined efforts informing the public on the work your teams are doing to improve our city.

Best Regards

Ron Fay
