RE: File Number B-2021-0014

This is a petition to **STOP** the application(s) of Pradeep Charanthara and Sheebarnol Cherian, of 6 Glenbrook Blvd, Brampton, On. L6P 0N8. Ward #10

1. Application # A2021-0220 for minor variance -to permit lot area of 0.4651 hectares. By-law requires minimum of 0.8 hectares
2. Application # A2021-0221 for minor variance -to permit lot area of 0.3375 hectares. By-law requires minimum of 0.8 hectares
3. Application # B-2021-0014, Application for Consent- request to sever a parcel of land to create a new lot for future development of a single dwelling.

This is an Estate area, we purchased the land / home because of the prestige of privacy and open landscaped space, on an Estate Property. We are the "CASTLEMORE ESTATES",, and our taxes prove we are an Estate community.

These new neighbors cannot come here and disrupt all our area with the intent to build two houses on one lot.

Has the city done an inspection of the area? I'm sure there are standards, there are homes up to 7,000sqft - then a newcomer comes with intention which do not fit with our community.

I also want to make a complaint in regards to 6 Glenbrook Blvd. The property owners do not maintain their lawn and cut the grass regularly- they only cut it when it is disgustingly tall.

I went to approximately 15 houses/neighbors on our street, no one received the city notice for severance. Everyone is against the severance.

I hope the city will make the right decision.

Best Regards

Attilio & Fiorella Boiago,

8 Glenbrook Blvd. Brampton.

We have lived here for 36 years.!!!
