Re: Application B-2021-0221 Ward #10
Lot 55 Plan M-322

We are the current owners of 5 Glenbrook Boulevard and are against the parcel selling of the land at 6 Glenbrook Boulevard

We are a small residential Street, that already has enough traffic for the amount of houses located on our street.

Because we have no sidewalks we have to walk on the road and this is already dangerous, because people have the tendency to speed

We are concerned that if the parcel selling of the land is approved

it will lead to creating a legal precedent giving other individuals the opportunity to pursue the same objective, which would cause a spiral effect leading more traffic, garbage, crimes and noise pollution.

thank you
