Our Request

Our Story

- We are a not-for-profit organization caring for the socio-economic wellbeing of the newcomers.
- We are a proud PIN (Professional Immigrant Network) member at TRIEC (Toronto Region Immigrant Employment Council). You can read more about us at <https://triec.ca/pins/directory/bmg-group/>
- The promoters of BMG are professionally settled immigrants, committed & passionate about “**Community Development**”

Vision

A future where all newcomers have equality of opportunity for career, work and financial independence.

Mission

- Creating Pathways for Immigrants to achieve their potential in the Peel Region
- BMG would attempt to touch the life of at least 1% immigrant population of Brampton in next 3 years.

The Journey, since March 2020

1. Over 20 targeted programs have been organized and delivered **“Free of Cost”**
2. Organized a flagship series **“Building Your Career in Canada”**
3. 1000+ attendees across different industries & professions have benefitted by attending these programs. More than 50% of these participants are from Brampton.
4. Created over 25 job opportunities by connecting Employers with job seekers from Brampton.
5. Regular Newsletters are being published to update and keep the connection with Newcomer community and Multiethnic community of Brampton.

Finance for Non-Finance Professionals

Our contribution so far:

NETWORKING FOR SUCCESS

Are You a Newcomer to Canada
Are You a Student entering the workforce
Are You a Job Seeker trying to find a new role
Are You a Self-Employed person building your business

No matter which profession or what stage of career you are, Networking plays a major role in taking you to the next level. However, there are certain Do's and Don't of Networking.

Come learn this important skill from our experts:

Parveen Gill

Our contribution so far:

Our Wins!!

- BMG won “Leadership in Collaboration Award” from Toronto Region Immigrant Employment Council (TRIEC) in March 2021
- Canadian Immigrant Magazine, the National Multimedia platform to help Immigrant Succeed published a story of BMG’s work
- Community newspapers highlighted BMG contribution to the community

Testimonials, what people are saying

- I will always be grateful to you for your support and kindness. It would be impossible to count all the ways you've helped many new immigrants like us in their initial phase....*Hardik Naik,*
- I would like to take this opportunity to testify on the brilliant work that Mr. Dinesh Sharma has undertaken to support and guide the newcomers in Canada. I would certainly recommend any newcomer to get in touch with Dinesh Sharma, as he is more than capable to prepare you to face the challenges headson....*Dominic Gardner*

Road to success

1. BMG team is committed to provide initial settlement support to the immigrants
2. Peel Region in Ontario is the largest attraction for the Immigrants due to socio-economic reasons
3. Our programs are designed for immigrants looking for support in their initial settlement
4. Our team consists of professionals from diverse background
5. We are trained Mentors and Coaches - Credibility is Key for us!!!

Support needed

1. We have been running virtual online programs for the community
2. With ease in Covid-19 restrictions, we aim to have a hybrid model to run virtual and limited in person programs

Support:

1. Assistance from City Staff in guiding us for applying the Advance Brampton Fund
2. Allow us to run our program in City run facilities – Conference room of City Hall or community centers.
3. Connect us with Brampton Entrepreneur Centre for sponsorships

Thank you !
