That the agenda for the Transit Advisory Committee Meeting of October 25, 2021, be approved, as amended,

To Add:

7.7 Discussion at the request of Aameek Singh, Citizen Member, re: Brampton Transit and York University

BTAC012-2021

1. That the Presentation from Alex Milojevic, General Manager, Brampton Transit, to the Brampton Transit Advisory Committee meeting of October 25, 2021, re: Transit Advisory Committee Presentation , be received.

BTAC013-2021

Whereas Peel District School Board (PDSB) has a Regional Learning Choice

program with specialty schools, that does not offer transportation to students;
Whereas students attending those schools often have to be driven to them, or
parents need to spend thousands of dollars a year for private busing;
Whereas often summer school is needed most by marginalized students, and
PDSB does not provide transportation to them;
Whereas switching schools often adversely impacts a student's education, yet no
transportation is provided for them;
Whereas the lack of transportation support can constitute a significant equity
barrier for marginalized students;
Whereas transit passes would empower students with greater freedom and
access to things like sports programs, libraries, and community centres, which
particularly benefits all students, particularly marginalized students;
Whereas 70 per cent of households in Brampton contain children;
Whereas if students get used to taking transit to school, they are more likely to
persist taking transit after graduation;

Therefore it is the opinion of the Transit Advisory Committee that:
