9. Changes/Updates to School Boards/Student Population

Kathy McDonald, Trustee, PDSB, advised PDSB has had a slight reduction in enrollment. As of September 2021 there were 91,207 students registered for in-person learning for elementary schools and 33,535 students registered for in-person learning for Secondary Schools. In the month of October there were 85,421 students registered for in-person learning for elementary schools and 33,231 students registered for in-person learning for secondary schools.

In response to questions, Trustee McDonald indicated numbers change depending on Public Health recommendations regarding online learning and in-person. The numbers reported are fluid and constantly changing on a daily basis.

Darryl D'Souza, Trustee, DPCDSB, advised that there has been a 5% reduction in student population within the City of Brampton. The Board had 30,568 students across elementary and secondary schools. That number has reduced to 29,125 students.
