### Observations:

1. St. Joachim Catholic School is located on the southeast corner of Rutherford Road North and Winterfold Drive. The bus drop-off area and staff parking is located in front of the school and the Kiss and Ride area is located at the east end of the school.
2. Three crossing guards assist students at this school to cross at these locations:
  - i. Rutherford Road and Winterfold Drive
  - ii. Rutherford Road and Williams Parkway, and
  - iii. Winterfold Drive at the front of Arnott Charlton Public School.
3. Fluorescent school area signs and 40 km/hr speed limit signs are located on Rutherford Road in both directions in the vicinity of the school. Rutherford Road is designated a Community Safety Zone and signs are posted indicating “Municipal Speed Camera” is coming soon.
4. On the south side of Rutherford Road, signs indicate “No stopping, Monday to Friday 8:00 a.m. to 5:00 p.m.” from Winterfold Drive to the pedestrian walkway located between the two driveways and then “No Parking, Monday to Friday 8:00 a.m. to 5:00 p.m.” On the north side of Rutherford Road, there is “No Stopping, Monday to Friday 8:00 a.m. to 5:00 p.m.” signage between Winterfold Drive and Wikander Way.

5. The Kiss and Ride area indicates a drop-off lane and a right through lane. Two small parking areas are available for parents. A sign is posted at the exit indicating "Right Turn" only and the exit is channelized on the school property to split the inbound and outbound vehicles.

---
6. During the site inspection, motorists stopped in the "No Parking" area at the pedestrian walkway to drop-off/pick-up students in the driveway. One staff member assisted in the morning and two members assisted during dismissal period. They did not assist in the Kiss and Ride operation. The Kiss and Ride area was very busy, and even more so, with drivers parked in the Kiss and Ride through lanes. Many drivers exited the Kiss and Ride turning left which caused traffic issues on Rutherford Road.

---
7. During the site inspection, motorists stopped/parked in the bus-loading driveway, which interfered with the buses operation. They also parked on both sides of Rutherford Road in prohibited areas including the transit stop and fire hydrant. In addition, motorists did U-turns on Rutherford Road in the vicinity of the driveway leading to the Kiss and Ride and east of the driveway.

---
