RESTRICTIONS COME INTO EFFECT ON 12:01 A.M. ON SUNDAY, DECEMBER 19, 2021

**January 10, 2022:** In-classroom learning to re-open on January 17, 2022

**January 14, 2022:** Minister of Finance Peter Bethlenfalvy announced the launch of 2022 Budget consultations.

Paul Calandra appointed as Ontario's next Minister of Long-Term Care, replacing Rod Phillips.

**January 17, 2022:** Announced the **Advanced Manufacturing and Innovation Competitiveness (AMIC)** program that will provide **\$40 million** to companies to help get the tools, technology and talent they need to grow, compete and innovate in an increasingly competitive global market.

January 4, 2022:

- Agreements-in-Principle reached on compensation and long-term reform of First Nations child and family services and Jordan's Principle:
- \$20B in compensation for First Nations children on-reserve and in the Yukon, who were removed from their homes between April 1, 1991 and March 31, 2022, and for their parents and caregivers.
- Approximately \$20B, over five years, for long-term reform of the First Nations Child and Family Services program to ensure that the discrimination found by the CHRT never repeats itself.

Agreements-in-Principle  
on Compensation and  
Long-Term Reform of First  
Nations Child and Family  
Services

- January 12:** Announced the repayment deadline for CEBA loans to qualify for partial loan forgiveness is extended from December 31, 2022, to December 31, 2023.
- January 13:** Government welcomes the findings of the **Council of Canadian Academies'** report ***Building a Resilient Canada*** that highlights the urgency of improving our response to climate change related extreme weather events. A core finding includes climate change adaptation and disaster risk reduction need to be better integrated.
- January 15:** Unvaccinated or partially vaccinated foreign national truck drivers, coming to Canada from the US by land, will be directed back to the United States.

## New Year Calls to Action and other issues of municipal concern

- Call to Action – Joint and Several Liability
  - AMO submitted “[Towards a Reasonable Balance – Addressing Growing Municipal Liability and Insurance Costs](#)” in October 2019
  - AMO is asking for municipal councils to lend their support to the 7 recommendations contained in the AMO submission to re-establish the priority for provincial action on this issue. Councils are encouraged to pass a resolution to ask the government to work with AMO.
- Call for Ideas: Housing Accelerator Fund and Rent-to-Own Program
  - The federal Minister of Housing and Diversity has launched a Call for Ideas for two of the federal government’s priorities outlined in the Speech for the Throne.
- AMO Submission to the Ministry of Health on Municipal-OHT Engagement. Highlights:
  - The Ministry of Health must mandate a municipal voice into health care service planning, governance, and decision-making by the Ontario Health Teams
  - The Ministry of Health must mandate formal linkages between local Public Health Units and Ontario Health Teams (OHTs) to ensure that there is information exchange
  - The Ministry of Health must provide administrative resource funding to municipal governments and District Social Service Administration Boards to facilitate meaningful participation in Ontario Health Team service planning.
