Dear Mayor Brown and Members of Council:

On behalf of Osler and the Osler Foundation, we would like to extend our sincere gratitude for Council's decision this week to contribute significant funds towards hospital redevelopment in Brampton. As budget decisions require complicated and engaged deliberations involving many competing priorities, we commend your dedication and stewardship and offer our congratulations on completing the process.

A robust municipal contribution towards Peel Memorial and the proposed Cancer Care Centre at Brampton Civic Hospital remains essential to bring these projects to life, and we are grateful for your support and funds committed by the City. In the time ahead, we look forward to further engagement with you and with Peel Regional Council to ensure that full municipal funding is secured.

We thank you again for your unwavering commitment to health care capacity and infrastructure for the residents of Brampton. Our work together remains critical to ensure we build the hospital system this community needs and deserves. We can't do it without your support.

Thank you again.

Sincerely,

Dr. Naveed Mohammad
