10.1 Minutes - Brampton Heritage Board - November 16, 2021 - HB058-2021

Enzo Bertucci, Director of Land Development, Branthaven Creditview Inc. expressed his thoughts and concerns with respect to this matter.

In response to the Committee, Mr. Betucci agreed to work with the City staff to indicate heritage significance based on the results of whether the Trimble House is original or not.

Committee consensus of the motion included to refer Recommendation HB058-2021 to the Brampton Heritage Board Committee meeting on February 15, 2022, with a request for staff to investigate whether the structure identified is the original Trimble House.

The following motion was considered:

HB058-2021

1. That the report from Merissa Lompart, Assistant Heritage Planner, dated November 4, 2021, to the Brampton Heritage Board Meeting of November 16, 2021, re: **Heritage Impact Assessment, 8940 Creditview Road, Part of Lot 5, Concession 4 West of Center Road, Chinguacousy Township, Now City of Brampton, Regional Municipality of Peel dated November 2, 2021** be received; and
2. That the following recommendations as per the Heritage Impact Assessment by Parslow Heritage Consultancy Inc. be followed:
 1. While in situ retention is always preferable it is not always the most viable or practical option to ensure the retention of heritage resources. To facilitate the retention and preservation of the Edwin Trimble House while allowing for the continued development of the area it is recommended that Edwin Trimble House be relocated to proposed lot 59 or 60 of the proposed development plan (Appendix B). Relocation of the house should include:
 1. Continued visibility from Creditview Road and George Brown Drive; development should not be permitted that would obstruct the view of Edwin Trimble House.

2. Any alterations to the Edwin Trimble House should be limited to the rear of the structure.
- Setbacks should be maintained that preserve the aesthetic of the residence.
 1. New construction adjacent to the Edwin Trimble House should not exceed the current elevation of the extant structure.
 2. The establishment of a heritage easement should be discussed with the City of Brampton to ensure the ongoing retention of Edwin Trimble House.
 3. Designation under Part IV of the *Ontario Heritage Act* should be considered.
 - Edwin Trimble house shall be subject to structural assessment by a qualified structural engineer familiar with heritage structures
 - Prior to undertaking any action, a conservation and adaptive reuse plan should be developed.
 1. In addition to the retention of Edwin Trimble House, development of the Subject Property should attempt to retain the mature pine trees that delineate the northeast limit of the property. These trees contribute to the Creditview Road Corridor CHL. If possible, Edwin Trimble House and the pine trees should be maintained together on a single lot.
