4. Business Matters

4.1 Discussion regarding Rules of Procedure for the conduct of meetings

Mayor Brown introduced this item and invited Regional Councillor Medeiros to speak.

Councillor Medeiros referenced an opinion letter that he received from Cunningham Swan Lawyers, which his office forwarded by e-mail to Members of Council and staff. Councillor Medeiros indicated that he sought this opinion due to ongoing confusion in terms of rules of procedure and interpretation of the rules.

Council consideration included:

- questions about and responses from Councillor Medeiros regarding the opinion letter
- concerns that rules of procedure are not being accurately interpreted or applied, particularly relating to requirements for two-thirds majority votes, reopening decisions, Points of Order, and dealing with matters in Closed Session
- importance of Members of Council conducting meetings in accordance with the Procedure By-law
- questions and comments relating to individual Members seeking legal advice/opinions
- suggestion that a workshop on the Procedure By-law be provided for Members of Council

During Council's consideration of this matter, a Point of Order was raised by City Councillor Singh.

In response to a request for a ruling on the Point of Order, Mayor Brown concluded that it was not a legitimate Point of Order in accordance with the Procedure By-law.

In response to questions from Council, staff provided information on the following:

- role of the City Clerk to provide advice on meeting procedures in accordance with the Procedure By-law, the Municipal Act and other legislation/policies
- role of the meeting Chair as it relates to making procedural decisions, and confirmation that the City Clerk does not have the mandate or statutory authority to override a decision by the meeting Chair
- provisions of the Procedure By-law as they relate to Points of Order, challenges of a decision by the Chair, staff attendance in Closed Sessions, two-thirds majority votes, reopening and reconsideration of previous decisions

Minutes – City Council – Special Meeting – February 8, 2022

- process for amendments to the Procedure By-law
- impact on privileged information as a result of the opinion letter being shared in a public forum, and confirmation that the opinion letter obtained by Councillor Medeiros does not constitute legal advice for the City and is not binding on the City
- information in the Council Handbook about the process for individual Members of Council obtaining legal advice and the procedure for obtaining legal advice on behalf of the City of Brampton

Council discussion took place with respect to potential amendments to the Procedure By-law and timelines for consideration of such amendments.

The following motion, moved by Regional Councillor Medeiros and subsequently seconded by City Councillor Williams, was introduced:

That a review be undertaken of the Procedure By-law, and a Notice of Motion be listed for consideration at a Special Meeting of Council, to be convened on February 22, 2022, following the provision of public notice on the matter, such motion to include the following proposed changes:

That the Procedure By-law be amended to remove requirement:

- 1) For a two-thirds threshold vote on any matters within the Procedure By-law; and
- 2) For a Member to have been required to have voted on the prevailing side of a resolution, in order to move a reconsideration motion with respect to such resolution.

A motion, moved by Regional Councillor Palleschi, was introduced to refer the motion to the Procedure By-law (PBL) Review Sub-committee. As the motion was procedural in nature, a seconder was not required.

Council discussion took place on the referral motion, during which time staff responded to questions regarding the current review of the Procedure By-law and provided advice as it relates to ad-hoc changes to the By-law.

C021-2022

That the following motion be referred to the Procedure By-law Review Committee:

Moved by Councillor Medeiros

- 4.2 Motion to request disclosure of closed meeting minutes and the recording of the Council meeting held on Wednesday, January 26, 2022, to all Members of Council for purposes of seeking legal advice related to the meeting

The following motion, moved by Regional Councillor Medeiros and seconded by Regional Councillor Dhillon, was introduced:

That the video of the full Open Session of the meeting held on January 26, 2022 be provided to all Members of Council (via Brampton.ca); and

That the audio recording of the Closed Session of the meeting held on January 26, 2022 be provided to each Member of Council.

Councillor Medeiros outlined the purpose of the motion.

Staff outlined concerns about distribution of the Closed Session audio recording for the purpose of Members seeking legal advice, given that such disclosure could result in potential confidentiality issues and waiving of privilege.

Staff also provided details on the protocol for Members to access Closed Session audio recordings, which provides that Members make arrangements to attend the City Clerk's Office for this purpose. Staff also confirmed that the video recording from the Open Session portion of the January 26, 2022 Council meeting is available on the City's website.

Council consideration included:

- indication from specific Members that they do not want a copy of the Closed Session audio recording
- concerns about the varying the process for release of the audio recordings of Closed Sessions
- concerns about releasing the recording for the entire Closed Session, rather than just a part thereof

Minutes – City Council – Special Meeting – February 8, 2022

- clarification from Councillor Medeiros that the intent of his motion is for the release of audio from the entire Closed Session portion of the meeting so that Members could seek legal advice if they so choose, given concerns by some Members that quorum was not being present when the Confirming By-law was passed and the meeting was not properly adjourned

Peter Fay, City Clerk, outlined his position about quorum at the meeting when the Confirming By-law was passed, and responded to questions from Council in this regard. He also noted that because quorum was not present to adjourn the meeting, this did not negate decisions made up to that point.

Following Council discussion and in response to comments, concerns and suggested amendments from Members and staff, the motion was amended to read as follows:

That the video of the full Open Session of the meeting held on January 26, 2022 be provided to all Members of Council (via Brampton.ca); and

That the City Solicitor be requested to report to the February 16, 2022 Committee of Council meeting on the appropriateness to disclose a closed session audio record, as proposed below;

That the audio recording of the Closed Session of the meeting held on January 26, 2022 be provided to those Members of Council who request it and that the City Clerk be directed to keep a confidential list thereof.

That the audio recording be provided to those Members who request it, via USB stick or by way of an appointment to listen to the content at the Office of the Clerk and,

That the City Solicitor be requested to report to the February 16, 2022 Committee of Council on the scope of a potential external opinion with regard to the legal considerations with respect to conduct of the meeting (quorum, confirming by-law, proper adjournment).

During Council's consideration of this matter, a procedural motion to Call the Question was introduced by City Councillor Whillans.

The Mayor noted there were not other speakers, therefore, the motion could be put to a vote.

C023-2022

Moved by Regional Councillor Medeiros

Seconded by Regional Councillor Dhillon
