In celebration of Hazel McCallion's 100<sup>th</sup> birthday and her contribution to vulnerable members of our community.

Luso commissioned local artist Angelo DiMartino to create an original portrait which captured her passion and enthusiasm during Luso's 2019 Annual Fundraising Gala Dinner.

With her full support and endorsement, Luso launched the sale of a series of limited-edition prints.

Sale proceeds support Luso participants, their families and our goal to build residential housing for adults with special needs.
