Hello,

I have been living on Bufford Drive from the past 13 years. I strongly oppose making of 8 storey building with commercial plaza having access from Bufford Drive. I have small kids that play on street and I am highly worried of their safety if this building or commercial plaza have access from Bufford Dr. I am happy with the commercial plaza with no exit to Bufford Drive as will blend in as it will be beside 2 more plazas.

I will like to mention that I highly oppose this development and zoning change should not be allowed.

Thanks & Regards,  
Anju Jain
