Subject: [EXTERNAL]Queen's Park Motion for Cancer Care Centre

Hello,

MPP Sara Singh will be tabling a motion (below) at Queen's Park tomorrow and submit this as correspondence as part of the government relations update on the committee of council agenda tomorrow. MPP Sara Singh is asking for Council's support and advocacy for this motion.

<That, in the opinion of the House, the Government of Ontario should address the inequity in health care and cancer treatment services such as radiation therapy in central Peel Region through the funding of a new cancer care centre for the city of Brampton by no later than 2026.>

Thank you.

Kind Regards,
Jasminder
