 - Outreach Director of Ontario Kabaddi Club
 - President of iMela – International Festival Niagara Falls
-

About Circle Kabaddi

- Circle Kabaddi is a - contact sport that originated in the Punjab region.
 - Today, world kabaddi cups, National Kabaddi Cups, are held worldwide, including in Canada.
 - Teams worldwide, including the United Kingdom, Australia, Germany, Italy, India, and Pakistan, gather to participate in kabaddi tournaments in Canada.
 - We had Peel Police and Toronto Police Kabaddi teams play a show match in Ontario Kabaddi Tournaments.
 - Typically, a Kabaddi Sports club has a budget of two hundred thousand per season in Canada. Ontario kabaddi sports clubs spent \$2 million a year on Kabaddi without having any Kabaddi fields to practice on.
 - Every year Canada receives thousands of students from across the world that move into Canada; these students include existing and up-coming Kabaddi stars who have no place to practice or play for Teams in Canada. Our goal is to produce Canadian kabaddi talent and start them at a very young age. We can have our Canadian youth trained to participate in kabaddi tournaments locally and internationally in a few years.
-

Kabaddi Ground Size

All Grass Field

Total Field Size is 49 Meters

Playing Area is 44 Meters

Circles is marked with white powder or paint
