Subject: [EXTERNAL]Concerns Re Application to Amend 8671 Heritage Road

Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.

Good evening,

We are residents of the Westfield Great Gulf Community and have received notice of the Application to Amend the Zoning re 8671 Heritage Rd address.

We have significant concerns regarding this proposed amendment and strongly oppose the application to amend the current zoning. Among our various concerns, is the concern that our residential street will become traffic heavy and impact on the residents' ability to live in a quiet peaceful neighborhood.

We hope that our concerns and opposition to this proposed amendment is brought to the attention of City Council and all other relevant parties.

Thank you,
