Good morning,

My husband and I would like to register for the two upcoming events relating to the planned development for 199 Main St N:

- A Virtual Public Open House Meeting on
- **Monday, May 9, 2022**
- A Statutory Public Meeting on
- **Monday, May 16, 2022**

**Carmen** - As other community members have already expressed, we have significant concerns that this planned development does not align with current zoning maximum height, and significantly alters the character of the historical 'Washington Block' district in downtown Brampton.

We look forward to hearing from you.
