Good afternoon Tejinder,

I hope this email finds you well.

I am writing regarding the 7 storey senior's residence coming up at 8671 Heritage Rd. From the proposed plans, it appears that the entrance/parking lot to the residence will be off Hammerslea Crt. I am writing asking the city to reconsider this design, and instead use Heritage Rd. as the entrance point. I believe there will be an increase in traffic leading to the entrance point of the residence. As such this will pose a danger to the children on Hubble Rd, Vineyard Dr. and Hammerslea Crt. There are many children on these streets enjoying each other's company on the regular. There are also many seniors that enjoy morning and evening walks. The increased traffic on these smaller inner streets will pose risk to the most vulnerable. I believe changing plans to allow access from Heritage will mitigate the above mentioned risks on our children and the elderly. I am happy to join in meetings or calls to discuss further if needed.

I look forward to hearing from you.

Cheers,  
Marsilino Bilatos
