Subject: [EXTERNAL]City File: OZS-2022-0001 Ward 1

Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.

Why is this construction necessary? Isn't there enough traffic and noise around this area already. From reading this proposal, we estimate approximately over 5,000 more people living in the area. This quiet subdivision has changed erratically in the last 5 years, never mind adding more chaos with regard to traffic and noisy cars and motor bikes. We are submitting this to oppose this City File.

Regards,

Lucas & Maureen Girouard
