Dear Mayor Brown and Members of Council,

RE: Delegation on AGENDA ITEM 5.2 Congratulations to Councillor Williams and Appointment

It is my understanding that you are considering appointing a resident to fill the vacancy about to be created by the departure of Charmaine Williams. I also understand that council is trying to make this appointment without an interview process.

I believe council should not appoint a councillor without first having a call for applicants, interviewing applicants, and then voting for the best candidate.

As a concerned and proud resident of Brampton, I have been voicing for issues related to our city for fair share in healthcare fundings, new hospitals, full fledged University, safety and security, infrastructure fundings etc. and find my self a strongest candidate for this possible appointment.

I would like to apply for the job of interim City Councillor, and I know many other taxpayers would like to do so as well.

Taxpayers/residents would like that all jobs must be advertised so that members of the public have a fair and honest chance at getting hired.

I look forward to applying formally for the position of Interim City Councillor.

Sincerely,

Azad Goyat
