Hi Ms. De Melo,

We received information in the mail about the above-mentioned project a few houses down from us (we own and live at ■ Beamish Court). The notification said one can send comments to you.

We wanted to convey that we're in full support of this project. It has been nice having this school as our neighbour- there has never been any disturbance and this is nice for the community to have this school which fits into our residential neighbourhood and seeing kids out and about is nice.

Please kindly confirm you've received my message.

Thanks,

Sukhjeevan
