Subject: [EXTERNAL]Opposing development of townhouses

Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.

To whom it may concern,

I am expressing concern over development of high density townhomes city file : OZS-2019-0014 Our local schools are already at full capacity with kids being housed in portables.

I would prefer this neighborhood be limited to single detached homes.

Thank you

Sincerely
