Subject: [EXTERNAL]High density town houses ruining our community

Hello,

I live in the neighborhood located at Mayfield and Gordon Randall drive. I have just been made aware of some high-density townhouses proposed in our community. I am very upset to hear this news. I am strongly against having such homes developed as these townhouses will change the character of our beautiful neighborhood. What can I do to voice my concerns and put a stop to this development from happening?

Thank you,
