Whereas these conversions and renovation projects are potentially putting occupants at risk due to poor construction or contravention of the fire code;

Whereas there is a prevalence in illegal construction activities across the City of Brampton in recent years;

Whereas according to section 12 of the *Ontario Building Code Act* (the "*Act*"), an inspector may enter upon land and into buildings at any reasonable time without a warrant for the purpose of inspecting the building or site to determine whether or not the *Act* and the *Building Code* have been complied with and, if contraventions are found, may make orders directing compliance;

Whereas according to section 16 of the *Act*, an inspector shall not enter or remain in any room or place actually being used as a dwelling without consent of the occupier, notwithstanding the section 12 right of entry;

Whereas there are instances where Building and Enforcement staff require access into a dwelling to determine whether the *Act* and *Building Code* are being complied with;

Whereas the City's Building and Enforcement staff are mindful of the privacy rights of residents related to dwellings but also understand that there are examples where access into dwellings is justified as set out in the exemptions described in section 16 of the *Act*; and

Whereas City Councillor Jeff Bowman has written and spoken to the Premier of Ontario, the Minister of Municipal Affairs and Housing and to the Solicitor General over the past two years, with no response or commitment to action from the Province;

Therefore Be It Resolved That the Mayor of the City of Brampton send a letter on behalf of Council with a copy of this resolution to the Hon. Steve Clark (Minister of Municipal Affairs and Housing), requesting that section 16 of the *Ontario*

Building Code Act be amended to allow inspectors to enter into dwellings to ensure compliance with the *Act* where the inspector has reasonable grounds to believe that construction has or is taking place within the dwelling for the purpose of creating an additional rentable occupancy space, without a permit; and

Further, a copy of the letter be sent to the Premier of Ontario, the Solicitor General of Ontario and Members of Peel Regional Council.

CW233-2020

Whereas the Peel Islamic Cultural Center is a non-profit, non-political, charitable, and religious organization dedicated to the education and welfare of the Muslim community and;

Whereas the Peel Islamic Cultural Center participates in community safety initiatives and engages with youth in a meaningful way, and have contributed to Brampton's community, economy, and cultural fabric and;

Whereas the Peel Islamic Cultural Center has supported Brampton during the COVID-19 pandemic by providing residents with care packages, food, essential items, tools and social support for those who are isolated and;

Whereas the Peel Islamic Cultural Center is in the process of building a mosque which will include youth and recreational programs and;

Whereas the Peel Islamic Cultural Centre cannot proceed with a City building permit until they satisfy the Regional Development Charge component, in order to satisfy this component a payment or deferral agreement is required and;

Whereas the Region of Peel requires a Letter of Credit from The Peel Islamic Cultural Center in order to enter into a deferral agreement for the payment of the regional development charges, as per the Regional Development Charge bylaw and;

Whereas The Region of Peel can accept a Letter of Credit for this project from a third party, such as the City of Brampton

C387-2020

Moved by Regional Councillor Dhillon

Seconded by Regional Councillor Medeiros

Whereas the City of Brampton remains a proud farming community;

Whereas the City of Brampton understands and respects the contributions of farmers in feeding nations;

Whereas the City of Brampton is home to thousands of farmers who still own farmland in their ancestral countries;

Whereas numerous rallies have recently taken place across the City of Brampton protesting three farming bills that were passed in India in September 2020;

Whereas the passing of the bills will result in the privatization of farmers' markets in India and will adversely affect the financial situation of many Bramptonians and their families back home;

Whereas India's agriculture sector contributes nearly 15 per cent of India's \$2.9-trillion economy but employs nearly half of the country's 1.3 billion people,

Whereas 86 per cent of Indian farmers only own two or less acres of farmland with an average income of \$1400 per year, and do not have the means to bargain with large, private corporations;

Whereas anti-farmer policies, debt, and a deteriorating financial status have led to 363,726 farmers and farm labourers committing suicide between 1995 and 2019;

Whereas Brampton City Council has recently recognized and stood with its Black, Tamil, Vietnamese, and other communities whose families have faced hardship abroad;

Therefore, be it resolved that the City of Brampton stand in solidarity with those Brampton residents and their families who have been directly affected by the farming bills passed in India.
