I am in receipt of the information contained in the 'Let's Connect' letter sent by your office.

I don't understand :

1. Where all the cars will park if this proposal to build these buildings is carried out.
2. The increase in vehicle traffic in the area will be very prohibitive. As far as I am concerned, we are at the limit right now for this residential region !!

Therefore I am VERY OPPOSED to this plan to go forward !!
