

Credit Valley Residents Association - 2022

We are strongly opposed to High Rise and
high density developments along Queen
Street West around Spring Brook

We advocate for up-scale executive housing
development in Brampton

Provincial increased density orders from on high

Doug Ford wants Municipalities to increase housing density to house new Canadian workers and grow the economy

John Tory states that we should do that without fundamentally altering the established character of neighbourhoods

Tory - High-rise development should be around public transport hubs: Downtown Brampton, Mount Pleasant and Shoppers World

Queen Street West beyond Chinguacousy is not a Brampton Rapid Transit corridor?

Tory – Don't upset stable neighbourhoods with bad planning!

Provincial increased density orders from on high

The residents of these wards elected you councillors to represent them, listen to their concerns, listen to their logic and use your common sense and oversight to balance the top down pressure

Look at all the petitions that we sent you in the Fall of 2021!

Look at the delegations presented on June 9th and June 20th!

Look at the show of hands here to night!

Brampton Votes 2022, Monday October 24, 2022 – your choice!

CVRA against high density development
on Queen Street W. around Spring Brook
