Hello,

My name is Balraj Jhaji. I live at ■ Beamish Court, Brampton ON.

I am emailing you today to discuss the application to amend the official plan and zoning by-law for 11499 The Gore Road.

My family and I are against this application. We have lived in this neighbourhood for 11 years and during this time we have enjoyed the peaceful and quiet neighbourhood.

This building has been used as a private school for the past few years and has since disrupted the neighbourhood. The school is extremely loud and the tenants have been using the grounds for various noisy activities. It is already too difficult to bear the noise of this small school and with this extension, this peaceful and quiet neighbourhood we have lived in for 10 years will no longer be the same.

With an increased capacity of 100 students, the extension will increase the noise immensely and we fear that the children will not respect property lines. Schools are typically in larger neighborhoods where there is a need for the children in the area to attend.

Everyone in this neighbourhood is on the same page and we would like for our neighbourhood to remain a peaceful and quiet environment. This extension will change the atmosphere of this neighbourhood forever.

Thank you for taking time out to read this email.

Best Regards,

Balraj Jhaji
