Subject: [EXTERNAL]Application for Minor Variance #A2021-0192

Dear Ms. Myers,

I am writing to express my opposition to the proposed variance to allow for a below grade entrance at 56 Barr Cres.

I reside at 52 Barr Cres. There is already a house that has that across the street #25 Barr Cres. and no notice was ever received when it was done.

I bought this property in a single family home neighbourhood and over the course of the past few years it is now becoming multiple family dwellings. I do not support this and feel I am paying high taxes to ensure that this remains a single family neighbourhood.

When multiple families live together it means more cars and more street parking which is dangerous. As it is it is often difficult to back out of my driveway because of cars parked on the street. It is already a busy thoroughfare as people come in off of Sandalwood to go to other neighbourhoods and when there are cars parked on the street it's reduced to a single lane.

I would ask that the city reject this application.
Thank you.

Sincerely,

Sherry Hughes
