### 10.3.2 CW214-2020

Whereas a review of the 2020 resurfacing program is underway and there are no geometric changes (i.e. curb relocations) to the current roadway recommended; and

Whereas the 2020 road resurfacing contract is underway and the schedule has already been affected by the current pandemic; and

Whereas there are many roads under the current resurfacing contract that already have on-road cycling infrastructure per the ATMP planned for implementation; and

Whereas any new on-road AT infrastructure not previously identified in the ATMP that is now recommended for addition, can be implemented after the road replacement has been completed.

Therefore be it resolved:

1. That, until such time as staff report back to the September 30 Council meeting on the additional road rehabilitation resurfacing plan requests directed at the September 16, 2020 City Council meeting, staff continue with the following resurfacing projects:
  - Roads where work has commenced
  - Roads that can be started and finished in this construction season
  - Roads where AT infrastructure is already planned

2. That staff report back to September 30, 2020 meeting of Council on what roads under the existing contract are anticipated to be deferred until 2021.
