RE: Staff Report, Noise Walls in Rosedale Village – Ward 9 (RM 58/2020)

**To: City Clerk's Office, City of Brampton
Mr. Harkirat Singh, City Councillor, Ward 9
Mr. Patrick Brown, Mayor**

**Cc. Mr. Bruce Pichler, Pichler Engineering Ltd
Mr. Joe Spina, Director PVLCC 895
Ms. Palmina Maccari, Property Manager, Villages of Rosedale**

On behalf of The Villages of Rosedale Inc, I am writing in regard to agenda item 10.6.1, Staff Report - Noise Walls in Rosedale Village, at the upcoming City Council meeting on October 28, 2020.

My understanding of the recommendations from the report are:

- That owners of the properties adjacent to private noise walls are responsible for the maintenance and replacement of the noise wall.
- That the noise wall in question is considered in fair condition and therefore not at end of its service life.

In light of the recommendations, additional time is needed to engage our reserve fund civil engineer to properly prepare for a delegation. I respectfully ask that Council either:

- Defer this Staff Report to a future Council meeting.
- Refer this Staff Report to a future Committee of Council meeting.

Thank you in advance for your thoughtful consideration.

Respectfully,

Rick Wesselman P.Eng
Chairman of the Board
