ISSUED FOR -	BUILDING PERMIT	

Under the authority of the *Emergency Management and Civil Protection Act* and the *Municipal Act, 2001*, City Council approved Committee Meetings to be held electronically and/or as a hybrid meeting (both in-person and electronically).

Electronic/Hybrid Hearing Procedures How to get involved in the Hybrid Hearing

As the pandemic has waned, Brampton City Hall is currently lifting in-person attendance restrictions due to the COVID pandemic. In-person attendance at Committee of Adjustment Hearings is now available at this time, along with a virtual participation option. Brampton City Council and its Committees will continue to meet electronically and in-person. For the **September 13, 2022** hearing, the Committee of Adjustment will conduct its meeting with concurrent electronic and in-person attendance.

How to Participate in the Hearing:

All written comments (by mail or email) must be received by the Secretary-Treasurer no later than **4:30 pm, Thursday, September 8, 2022.**

- Advance registration for applicants, agents and other interested persons is required by one or two options:
 1. Participate remotely in the electronic hearing using a computer, smartphone or tablet by emailing the Secretary-Treasurer at cityclerksoffice@brampton.ca or jeanie.myers@brampton.ca by **4:30 pm Thursday, September 8, 2022.**
 2. To participate in-person, please email the Secretary-Treasurer at cityclerksoffice@brampton.ca or jeanie.myers@brampton.ca by **4:30 pm Thursday, September 8, 2022.**
- Persons without access to a computer, smartphone or tablet can participate in a meeting via telephone or in-person. You can register by calling 905-874-2117 and leave a message with your name, phone number and the application you wish to speak to by **Thursday, September 8, 2022.** City staff will contact you and provide you with further details.

You will be contacted by the City Clerk's Office before the hearing date to confirm your attendance. Confirmation of in-person attendance will be subject to any in-person capacity limits that may be in place for Council Chambers at City Hall and prevailing public health orders and guidance.

- All Hearings will be livestreamed on the City of Brampton YouTube account at:
<https://www.brampton.ca/EN/City-Hall/meetings-agendas/Pages/Welcome.aspx> or
<http://video.isilive.ca/brampton/live.html> .

If holding an electronic/hybrid rather than an oral hearing is likely to cause a party significant prejudice a written request may be made to have the Committee consider holding an oral hearing on an application at some future date. The request must include your name, address, contact information, and the reasons for prejudice and must be received no later than 4:30 pm the Friday prior to the hearing to cityclerksoffice@brampton.ca or jeanie.myers@brampton.ca. If a party does not submit a request and does not participate in the hearing, the Committee may proceed without a party's participation and the party will not be entitled to any further notice regarding the proceeding.

NOTE Personal information as defined in the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, collected and recorded or submitted in writing or electronically as related to this planning application is collected under the authority of the *Planning Act*, and will be used by members of the Committee and City of Brampton staff in their review of this matter.
