Good Morning Planning Department & my Councillors.

My name is Jasbir Rangi, I am a resident of [REDACTED] Jack Rabbit Crest Crest, Brampton, ON and live across the street where you put this sign board for 26 Freehold Residential .

**I strongly oppose the development of this property.** Brampton is already packed with an overloaded population. On weekdays after 5.00 PM it's hard to find the parking spot on any nearby plazas or Shopping centers.

**If this 26 Freehold Residential Dwellings implements there will be more crowd.**

Please leave this area as it is, Already there is a lot of population in this area.

I hope my councillors will listen to the voice of their local residents of Ward 9 & 10 and take appropriate action to stop this development.

Every day we read a lot of articles online and in newspapers that in Brampton people come to sleep in Brampton and go to another city to work and this is very true. There are already a lot of crowds in Brampton don't make it more congested.

I hope you will understand the feelings of Ward 9 & !0 residents to stop this development and let us live in a peaceful manner.  
Thanks

Regards  
Jasbir Rangi
