Credit Valley Conservation (CVC) staff have reviewed the subject application and offer comments based on the following roles and responsibilities:

1. Watershed Based Resource Management Agency and Public (commenting) Body under the Planning Act - providing comments based on CVC's Board approved policies;
2. Planning Advisory Services - providing environmental planning and technical advice/comments based on service agreements or memorandum of understanding;
3. Delegated Responsibilities - providing comments representing the provincial interest regarding natural hazards (except forest fires) as identified in Section 3.1 of the Provincial Policy Statement (2020);
4. Regulatory Responsibilities - providing comments to ensure the coordination of requirements under the Conservation Authorities Act Section 28 regulation, to eliminate unnecessary delay or duplication in process;
5. Source Protection Agency - providing advisory comments to assist with the implementation of the CTC Source Protection Plan under the Clean Water Act, as applicable.

Ontario Regulation 160/06:

The property is subject to the Development, Interference with Wetlands, and Alterations to Shorelines & Watercourses Regulation (Ontario Regulation 160/06). This regulation prohibits altering a watercourse, wetland or shoreline and prohibits development in areas adjacent to the Lake Ontario shoreline, river and stream valleys, hazardous lands and wetlands, without the prior written approval of CVC (i.e. the issuance of a permit).

buffers. As noted above, a CVC permit will also be required prior to any development on the property.

I trust that these comments are sufficient. Please do not hesitate to contact the undersigned at trisha.hughes@cvc.ca or 905-670-1615 (ext. 325) should you have any further questions. Please circulate CVC on any future correspondence or applications regarding this site.

Sincerely,

Trisha Hughes
