RE: Request for Deferral
City File No.: A-2022-0261
112 Mountainberry Road,
City of Brampton, Region of Peel

RDA Designs are the authorized agents for the owner at 112 Mountainberry Road, Brampton Ontario. We are requesting a deferral to our application for minor variance on behalf of the homeowner. As per our conversation with the City Staff we are going to work with them to come out with a solution that will be supportable by City Staff.
