Brampton Eco Park

***Brampton Eco Park** is a network of sustainable urban spaces that reflects Brampton's character, provides unique social opportunities, and supports city infrastructure while enhancing, re-naturalizing and conserving Brampton's natural landscapes.*

Eco Spaces

Nature + People + Principles = Eco Space

Principles

*Maximize
ecological value*

*Make nature
visible*

*Design with
nature*

*Integrate with the
surrounding
community*

*Provide
opportunities for
social services*

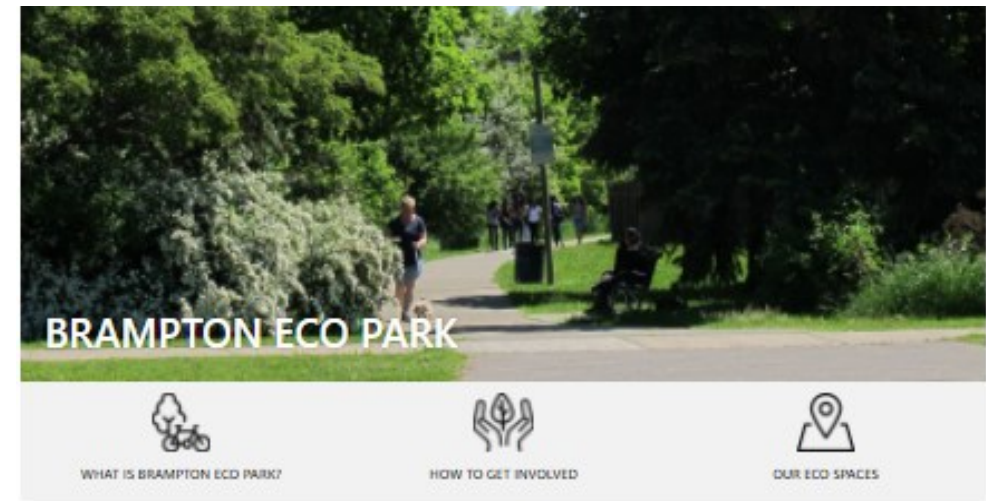

Support innovation

*Reflect local
identity*

Update

- New website:
 - www.brampton.ca/EcoPark
- Jefferson, Jordan Jayfield Park
- Lakes Improvement Report
- Education Centre
- Easy Wins – No mow and tree plantings
- Naturalization - Park retrofits - update

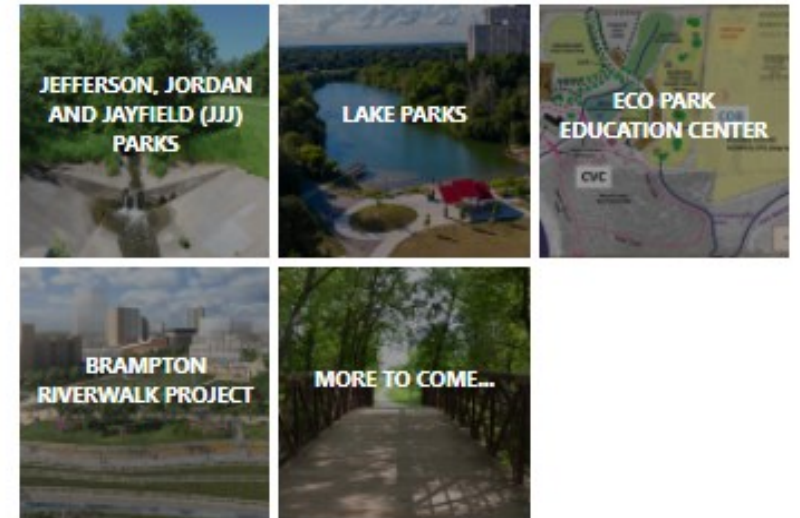

Brampton Eco Park is the interconnected network of sustainable urban and natural spaces interwoven and embedded in the city's urban form.

Brampton Eco Park fosters local stewardship and pride, encourages active and connected communities, and helps build attractive neighbourhoods, all the while connecting people with nature, responsibly. It also helps protect and support City infrastructure while conserving, enhancing, and celebrating Brampton's natural landscapes.

- Easy Wins
 - Continued No Mow and tree plantings

An aerial photograph of a vast forested area during sunset. The sky is filled with soft, golden light and scattered clouds. The trees below are in various stages of autumn, with some showing vibrant reds and oranges, while others remain green. In the distance, a city skyline is visible under the hazy light of the setting sun. A black rectangular box is centered over the image, containing white text.

Thank You!
