Dear City of Brampton Committee of Adjustment

I am a close neighbor to the above location. I live at 7637 Creditview Rd.

My concern that the variance that these people are requesting does not adhere to the bylaws. Our area of Churchville has always had very strict rules and bylaws in order to keep our heritage village unique. If these changes were allowed it could be just the beginning for other home owners to ask for changes in the number of homes allowed on their property. I am very concerned about these variance changes that the above named are requesting.

I will watch for the results of next week's meeting- Tuesday October 4/22 Thank you your time.

Sincerely
Jacqueline Honsberger
