Ms. Myers,

On behalf of Harjinder and Viran Singh, enclosed please find the request to change the conditions of provisional consent for the above-mentioned property.

The request to change the consent conditions is warranted as the original conditions were impossible to fulfill as they required the PINs for the subject lands to be consolidated which, is against the LRO's rules in this particular circumstance.

The subject lands are currently zoned Agricultural (A). A Zoning By-law amendment is required to rezone these parcels to residential (R1A-1711). A Zoning By-law Amendment application was submitted on January 18, 2022, and comments were received on June 7, 2022 (#OZS-2022-0006).

In support of the application, we are pleased to enclose the following:

- 1 original and 1 copy of each executed request for changes to conditions of provisional consent application;
- 2 copies of each consent sketch, prepared by Korsiak Urban Planning, dated August 16, 2021;
- 2 copies of the aerial photo, prepared by Korsiak Urban Planning, dated August 13, 2021; and,
- A cheque in the amount of \$8,238.00 (\$4,119.00 per application) payable to The Corporation of the City of Brampton.

I trust the application is in order. Please feel free to contact me should you require any additional information.

Sincerely,

KORSIAK URBAN PLANNING

Catherine McEwan

Request for Changes to Conditions of Provisional Consent

Application number of provincial consent: B-2021-0018

In Response to Application Questions 5 & 6:

That application **B-2021-0018** is supportable, subject to the following conditions being imposed:

1. The Secretary-Treasurer shall have been satisfied that the following conditions have been fulfilled within one year of the mailing date noted below and the Secretary-Treasurer's Certificate under the Planning Act shall be given:

a) A Secretary-Treasurer's certificate fee shall be paid, in the amount current at the time of the issuance of the Secretary-Treasurer's Certificate; and,

b) Approval of the draft reference plan(s), as applicable, shall be obtained at the Committee of Adjustment office, and the required number of prints of the resultant deposited reference plan(s) shall be received.

2. Subsection 50(3) and/or(5) of the Planning Act R.S.O. 1990 as amended, shall apply to any subsequent conveyance or transaction involving the parcel of land that is the subject of this consent.

~~3. A solicitor's undertaking shall be received indicating that the "severed" land and the abutting land, being Block 174, Plan 43M-1449, shall be "merged" for Planning Act purposes at the time of the registration of the Transfer to which the Secretary-Treasurer's Certificate is affixed.~~

3a) The owner register a s.118 restriction on the subject lands preventing the transfer or charge of the whole or any part of the lands (severed or retained) without the written consent of the Corporation of the City of Brampton and agrees that the City will only consent to the conveyance of the severed parcel that is the subject of this application to the registered owner of Block 174 on 43M-1449 and that the City will only consent to the release of the s.118 on the retained lands upon: the severed lands and Block 174 (the "Resultant Lot") being in the same ownership and the owner of the Resultant Lot registering a s.118 on the Resultant Lot restricting the transfer or charge of anything less than the Resultant Lot without the City's consent;

3b) The solicitor for the owner of Block 174 will provide an undertaking that immediately upon their client being the owner of the severed lands, they will register a s.118 on the Resultant Lot restricting the transfer or charge of anything less than the Resultant Lot without the City's consent.

4. An undertaking shall be received from a solicitor confirming that the legal description of the "resultant" lot and the legal description in any mortgage(s) encumbering the "resultant" lot will be identical within four (4) weeks of the date of the Secretary-Treasurer's Certificate under the Planning Act; or alternatively, that no part of the "resultant" lot is encumbered by any mortgage(s). (The "resultant" lot is the "severed" land and the land to which the "severed" land is to be merged.)

5. That the owner shall submit a tree compensation plan for the removed trees located on the residential lots.

In Response to Questions 7 & 8:

The reason for the change in conditions for the consent is that the LRO won't allow these PINs to be consolidated into a single PIN because the severed lands are in LTCQ and the Blocks are in LTA+. Therefore, any references to consolidation should be removed. In addition, referring to the consolidated PINS is irrelevant as the PINs are simply administrative and have no bearing on compliance with the Planning Act or the effectiveness of the s.118.
